

TIME TO REGISTER!
SPRING SESSION
JANUARY 22 - JUNE 15
(student show, June 10, Tarrytown Music Hall)

PLEASE NOTE: Our student show is on June 10th at the Tarrytown Music Hall. The show is a 1hr full-length circus production (not a recital format). All students are highly encouraged to participate! For students interested in performing, we highly recommend they register for a second discipline outside of aerial - i.e. acrobatics, equilibristics (tightwire), juggling, or clowning. Students versed in multiple disciplines will be cast in the most parts in the show. More info on the show and rehearsal schedule to follow. Registration is on a first come first serve basis.

NEW CIRCUS ARTISTS

All new students begin their study with a session in General Circus Arts. This exciting, comprehensive course introduces students to the fundamentals of circus including: Aerial, Acrobatics, Balance/Equilibristics, Juggling, and Acting/Clowning.

*New students may add any of our Level 1 classes to supplement their General Circus Arts course.

LEVEL 2 CIRCUS ARTISTS

LEVEL 2 Students must be pre-qualified by instructors. Levels are not determined by attendance alone. Core competencies must be met, which include proper form, technique, and solid achievement of Level 1 skills. Level 2 students must train 2hrs / week at minimum. The two-hour class format includes technique, flexibility, and strength training in addition to aerial skills.
